# About Us.

## Introduction

Devidatt Enterprises, established in 2019, was founded to meet the growing demand for high-quality **MS Robot Safety Fencing Solutions**, **MS industrial solutions** and **MS Industrial Assembly Workbench services**. Since inception, we have been committed to delivering superior quality, precision workmanship, and timely delivery that aligns with both Indian and international standards.

We specialize in manufacturing custom-designed MS industrial products and Industrial Robot Safety solutions tailored to the specific requirements of diverse industries. With a strong focus on building long-term relationships, we proudly serve 100+ satisfied customers and strive to maintain the same trust and reliability with every new project.

## Workshop & Infrastructure

We operate from a well-equipped facility featuring:

- **Work Area:** 4000 sq. ft.
- **Open Space:** 1200 sq. ft.
- **Team:** 3 Technicians, 7 Workers, and 2 Staff Members

# Mission & Vision.

## MISSION

- To manufacture high-quality MS industrial products and Robot safety solutions that meet national and international standards.
- To ensure timely delivery, precision workmanship, and complete customer satisfaction.
- To continuously upgrade our technology, machinery, and skills to provide cost-effective and customised solutions for industries.
- To build long-term, value-driven relationships with clients through commitment, integrity, and consistent performance.

## VISION

To become a trusted and leading provider of MS industrial solutions and safety systems by delivering superior quality, innovative designs, and reliable services that enhance industrial efficiency and workplace safety.

# Our Clients.

We proudly serve a growing network of 100+ clients across diverse industries, including manufacturing, engineering, automation, and logistics. Our customers trust us for high-quality MS industrial solutions, reliable safety fencing systems, and precision-built fabrication products tailored to their specific needs. With a strong focus on timely delivery, consistent quality, and long-term partnerships, we continue to support our clients in enhancing productivity, safety, and operational efficiency.

METALIC MAGIC MANIFESTED

PUNE MANUFACTURER OF INDUSTRIAL SAFETY FENCING SOLUTIONS

## OUR PRODUCT RANGE

Industrial Safety Fencing Systems - Designed for machine guarding, robotic cells, and industrial safety applications to ensure maximum workplace security and compliance.

### 1. HEAVY SERIES SAFETY FENCING

Fence Height	1800 mm
Panel Width	1500 mm
Pillars	60 x 60 x 3 mm MS square pipe
Panel Frame	25x25x2.5 mm MS pipe
Wire Mesh	26 x 100 x 3 mm
Structure	Complete MS structure with powder-coated finish
Application	Suitable for heavy-duty industrial and robotic cell applications

### 2. LIGHT SERIES SAFETY FENCING

Pillars	40 x 40 mm MS pipe
Fence Mesh	20 x 100 x 3 mm
Panel Frame	20 x 20 mm MS pipe

Finish	Powder-coated finish for corrosion resistance
Application	Ideal for light-duty safety guarding and equipment protection

### STANDARD PANEL SIZES AVAILABLE

1500 mm

1000 mm

500 mm

300 mm

200 mm

#### KEY HIGHLIGHTS

- ✓ ISO-compliant design
- ✓ Modular & customizable panels
- ✓ Durable powder-coated finish
- ✓ Easy installation & maintenance
- ✓ Made in India

#### APPLICATIONS

- Machine Guarding & Automation
- Robotic Cell Safety Perimeter
- Warehouse Partitioning
- Assembly Line Protection
- OEM Equipment Integration

PUNE MANUFACTURER OF INDUSTRIAL SAFETY FENCING SOLUTIONS

# Our Services.

At Devidatt Enterprises, we offer a comprehensive range of MS industrial fabrication solutions and industrial robot safety systems designed to meet modern industry standards. Our expertise includes manufacturing durable workbenches, heavy-duty trolleys, inspection tables, metal pallets, stackable bins, and custom MS products tailored to client designs. We also specialize in robot safety fencing, machine guarding, and industrial barrier systems that ensure workplace safety and compliance. With a focus on quality, precision, and timely delivery, we provide reliable, cost-effective solutions for industries across manufacturing, automation, and material handling.
